What is the maximum number of guests that I can have without utilizing a limited menu?

Groups of 29 or fewer are welcome to order from the full restaurant menu. For groups of 30 or more, we will work with you to design the perfect limited or banquet menu for your guests. Chef Nate has crafted a seasonal banquet menu featuring Breckenridge beer in many of the dishes. He works with local purveyors to source the best and freshest ingredients of the season.

No problem! This is your party, and we want to make it enjoyable and memorable. We can discuss special dietary needs and how we might accommodate all of your guests.
